## Debate Competition – 08/10/2021

In continuation of the celebration “*AZADI KA AMRIT MAHOTSAV*,” the Department of Biochemistry has successfully organized a one-day debate competition program in the title “**An Unprecedented Development of Molecular Biology in the nation after 1947**” on October 8, 2021. All the faculty members and students of the Department of Chemistry and Biochemistry were present. Many students have actively participated in the debate competition and expressed his/her views and thoughts about the wide networking field of Molecular Biology. Our Principal Prof. Anand Shankar Singh has inaugurated the program and highlighted the significance of the new education policy for the student’s career prospects. Convener Dr. Anurag Mishra has explored the mystery of Molecular Biology in the living world and added the importance of this field in the prevention, and cure of critical hereditary diseases that are only possible through the implementation of Molecular Biology. He also said that whenever all the doors are closed, Molecular Biology led to open a new sight of hope, happiness, and judgment in the individual’s life. Faculty members Dr. Sanjeev Kumar, Dr. Jaya Tripathi, Dr. Rajesh Verma, Ms. Smriti Chaudhari, etc. have also drawn the attention of the students towards the significance of Molecular Biology, and courage them to work on Molecular Biology in the future.

The name of all winners in the debate competition program is mentioned below-

S.No.	Name	Class	Position
1.	Shalini Yadav	B.Sc. II	First
2.	Shivangi Kumari	B.Sc. III	Second
3.	Manmeet Mishra	B.Sc. II	Second
4.	Komal Patel	B.Sc. II	Third
